From

To

The Secretary to Government, Agriculture Department, Madras.

Rc.No. C2-316/55-2, d/11.4.55.

Sir,

Sub: Establishment - Madras Fisheries Subordinate Service - Teachers - Gopalan Sri M. - Asst. Teacher, Kizhur Fisheries School - exemption from minimum general educational qualification to enable him to be appointed as secondary grade teacher - request-

Ref: Petition from Sri M. Gopalan d/14.12.54 addressed to the Secretary.

I submit herewith copies of petitions d/19.12.53 and 14.12.54 received from Sri M. Gopalan, Higher Elementary grade Assistant teacher, Kizhur, Fisheries School requesting relaxation of rules in order to enable him to be appointed as secondary grade teacher. The qualification prescribed in Annexure to Rule 5 of the Special Rules for Madras Fisheries Subordinate Service, for appointment as secondary grade teacher both for direct recruitment and promotion are as follows:

"(i) The minimum general educational qualification prescribed in the schedule to General Rules and

(ii) A trained Teachers' Certificate of the secondary grade."

2 The petitioner possess a Trained Teachers certificate (No.8969/54, d/22.11.54) in secondary grade as required in item (ii) above. But he does not possess the minimum general educational qualification prescribed in the General Rules (as required in item (i) above). He has secured the required number of minimum marks in all the subjects except in the subject 'Outlines of History and Geography' The details of marks obtained by him in the S.S.L.C. examination are furnished below:

Subject:	Marks obtained.	Marks required to be obtained.	Year of examination.
English ..	48	40	May 1950
Malayalam	40	40	May 1938
Elementary mathematics-	48	35	May 1950
Elementary Science	36	30	May 1938
Outlines of History and Geography ..	27	30	May 1950
'C' Group (Mathematics)	36	35	May 1940.

3 The individual has stated that he had appeared for the subject 'Outlines of History and Geography' four times (i.e. in May 1938, 1939, 1940 and 1950) and thus exhausted all chances to appear for the same. The subject 'Outlines of History and Geography' has already been replaced by 'Social Studies'. The individual contends that he had obtained a pass in the 'Social Studies' subject which is comprised in C. Group in the secondary grade training course examination held in March 1952. But there are no Government orders to the effect that a pass in the 'Social Studies' subject in the secondary grade training course is equivalent to a pass in the 'Outlines of History and Geography", in the S.S.L.C. Examination.

4 The petitioner is a regular Higher Elementary grade teacher in this department from 7.3.46 and has put in about 9 years service. He belongs to a backward community (Arya). He is now 37 years old (Date of birth 10.9.1918). There are precedents of this kind where Government have granted exemptions in similar cases vide G.O.No.1520, Development, d/31.3.53 and G.O.1519, Development, d/31.3.53. I recommend that in the circumstances of the case that rule 5 of the

Special rules for Madras Fisheries Subordinate Services may kindly be released in favour of the individual to enable him to be regularly appointed as secondary grade teacher.

mr. 11.4.

Copy of petition d/ 19.12.53 from M. Gopalan, Asst.Teacher, Govt. Fisheries School, Kizhur to the Secretary to Govt. Dev. Dept., Madras thro' proper channal & Asst. Director of Fisheries, Mangalore.

The petitioner begs to submit the following for favour of sympathetic consideration and early orders:-

That he having passed higher grade training in 1943, has been working as an Asst Teacher and pre-vocationed teacher in the Fisheries Dept. for the last seven years. Subsequently he had appeared for the S.S.L.C. examination and following are the marks secured by him in each subject:--

1.	English ..	48%
2.	Malayalam ..	40%
3.	Ele. Mathematcis ..	48%
4.	Ele. Science ..	36%
5.	Optional - C. mathematics	36%
6.	Out-lines of History and Geography ..	27%

The petitioner submits that the marks obtained by him in the subject of Outlines of History & Georgrapht in the year 1950 being 27% is less by 3 marks as against 30%, the marks required by the Public Service Commission. But he submits that this subject has been replaced under the revised new scheme by the subject viz. 'Social studies'.

In the year 1952, the petitioner had obtained a pass in the social studig subject which is comprised in C Group in the Secondary Grade Training course examination held in March 1952 at Mangalore Centre. His having passed in this subject, the petitioner presumes, is equal to his passing in the subject viz 'Outlines of Hisory and Georgraphy' which has been replaced by 'Social Studies'.

Under the above circumstances and in consideration of the fact that he belongs to the backward community of 'Mukkuvan', a community which is very poorly represented in public service, the petitioner humbly requests that the Govt. may be pleased to exempt him from obtaining the minimum numberof marks of 30% in the Outlines of History & Geography, so that he may be eligible for public service.

For which act of kindness and generosity, the petitioner ever prays.

Ref: L.Dis.No.645 S2/54, d/11.2.54 of the office of the Director of Industries and Commerce, Madras.

...

In obedience to your Endt. cited above, I beg to submit herewith the S.S.L.C. & The Secondary Grade Teachers' certificate as called for. The delay in the submission of the certificates is due to the fact that my S.S.L.C. Certificate was transmitted to the Commissioner for Govt. Examinations, Madras in connection with the completion of the secondary grade teachers' certificate.

After my original application for exemption which is resubmitted herewith, I have to submit that I have qualified myself as a secondary grade trained teacher as per certificate No.8969/54 d/22.11.54 granted by the Secretary to the Commissioner for Govt. Examinations which is enclosed herewith.

3. Further to my representations made in my petition d/19th Dec. 1953 I beg to add that eventhough I had failed by 3 marks in outlines of History & Geography under the Service Commission Rules, I had passed in the Social studies which is a replaced subject for outlines of History and Geography in the secondary teachers' training course.

4. Lastly I may submit that I belong to the most backward and depressed community of 'Mukkavan' otherwise known as fisherman community which is scarcely represented in Public service. I had my 4 chances in the S.S.L.C. Public examination & I am devoid of any further chance to appear for the examination. Under the circumstances I request that on a kind consideration of the facts stated in this petition together with the representation made in detail in my petition d/19th Dec. 1953, the Benevolent Govt. may be pleased to exempt me from obtaining the minimum number of marks of 30% in the outlines of History & Geography so that I may be eligible for public service and enjoy the priveleges thereupon.

I trust this petition of mine will have your kind and sympathetic consideration towards a prompt and effective redress of my real and deserving grievances and for which act of kindness and generosity, I shall ever remain grateful.

CHIEF SECRETARIAT

Public (Services) Dept.

The note of Agri. on pp.1-2 ante may be perused.

The petitioner has stated that he belongs to a backward community 'Mukkavan' whereas the D.I. & C. has stated that he belongs to the 'Arya' community, also a backward community. It is stated that he has put in about 9 years service as a Higher Elementary Grade Teacher in the Fisheries Department. He does not possess the minimum general educational qualification, falling short of the prescribed minimum in only one subject (Outlines of History and Geography) by three marks. In view however of his long service and the fact that he belongs to a Backward community, this Department need perhaps object to rule 5 of the Special Rules for the Madras Eisheries Subordinate Service relating to educational qualification being relaxed in his favour in order to enable him to be appointed as a Secondary Grade Teacher in the Fisheries Department. The relaxation should take effect from the date of the order and a copy of the order should be communicated to the M.P.S.C.

May be returned to Agri.
